

Eligibility Verification Medicare

Simple one-off Medicare checks

Designed for low-volume transactions, Inovalon's Eligibility Verification Medicare™ gives your team an easy way to confirm eligibility, safeguard revenue, and keep claims moving. With direct access to Medicare's HETS database, you get fast, real-time benefit details, built for teams that only need low-volume checks.

With 24/7 secure access, staff can reduce billing delays, avoid costly denials, and protect cash flow while meeting your organization's Medicare verification needs. This simple, targeted solution ensures accurate results and supports cleaner claims, so your team can spend less time troubleshooting and more time driving revenue cycle performance without breaking the bank.

Advantages for Your Organization

- **1** | **Find Medicare info fast**
Run real-time eligibility checks to quickly access the benefit details you need.
- **2** | **Ensure accuracy**
Verify eligibility with direct access to Medicare data, reducing errors and rework.
- **3** | **Safeguard revenue and budget**
Protect cash flow by preventing costly denials and unnecessary spend on oversized tools.

Who Benefits

Over 50,000 active, licensed customers¹ use Inovalon solutions.

Physician practices

Hospitals

Skilled nursing facilities

Billing companies

Rural health clinics

Health systems

Home health organizations

Software vendors

Solution Features

Direct Medicare connection

Access real-time eligibility data through Medicare's HETS system for the most up-to-date results.

Simple tool for low-volume checks

Perform one-off Medicare transactions without the cost or complexity of enterprise solutions.

24/7 secure access

Verify eligibility anytime with always-on availability to keep claims moving without delay.

Accurate results with limited data

When combined with Inovalon's Medicare Beneficiary Identifier (MBI) solution, you can confirm eligibility even with only partial patient/resident information.

Identify secondary coverage

See Medicare Advantage, replacement, and secondary payer details up front to reduce denials.

Easy-to-use interface

Give your team a clear, straightforward tool designed for fast adoption and minimal training.
