

Inovalon

Client Congress

2019

October 6 – 8, 2019

MANDARIN ORIENTAL | WASHINGTON, D.C.

UNLOCKING THE POWER OF DATA

We invite you to Inovalon's Client Congress where leaders from health plans, provider organizations, pharmacy and life sciences companies gather to address the healthcare industry's most compelling issues and promising opportunities. This year's event takes place in Washington, D.C., at the Mandarin Oriental, October 6 – 8, 2019.

Please join us as renowned industry experts present real-world case studies and share best practices to accelerate speed to value and empower data-driven strategies that impact quality and economics benefiting the entire healthcare ecosystem.

CONFERENCE LOCATION

Mandarin Oriental
1330 Maryland Avenue, SW
Washington, D.C. 20024

Prominently placed along the capital's revitalized southwest waterfront, Mandarin Oriental, Washington, D.C., offers five-star luxury, refreshed guestrooms, and extensive facilities in a serene picturesque setting. Just a short walk from the nation's most cherished monuments, the hotel is also close to a number of exciting restaurants and attractions in the new District Wharf neighborhood.

WELCOME RECEPTION

Mandarin Oriental Garden Terrace
1330 Maryland Avenue, SW
Washington, D.C. 20024

Attire: Casual

Please join us as we welcome you to Washington, D.C. and Client Congress 2019, on Sunday evening, October 6, at the Mandarin Oriental. Enjoy the waterfront patio as we celebrate the culturally entrenched location with an Asian-flare theme.

CLIENT APPRECIATION DINNER

The International Spy Museum
700 L'Enfant Plaza, SW
Washington, D.C. 20540

Attire: Cocktail

Join us at the International Spy Museum, the only public museum in the United States solely dedicated to espionage and the only one in the world to provide a global perspective on an all-but-invisible profession that has shaped history and continues to have a significant impact on world events.

The Spy Museum features the largest collection of international espionage artifacts ever placed on public display. Many of these objects are being seen by the public for the first time. These artifacts illuminate the work of famous spies and pivotal espionage actions as well as help bring to life the strategies and techniques of the men and women behind some of the most secretive espionage missions in world history.
