

SUMMER INTERNSHIP PROGRAM

June 7, 2021 - August 6, 2021

WHO WE ARE?

Inovalon is a leading provider of cloud-based platforms empowering data-driven healthcare.

WHY INOVALON?

Inovalon was named one of the 50 best workplaces in 2019 and Company of the Year.

HOW WE WORK?

At Inovalon, you will have the opportunity to experience a wide range of career possibilities in a rapidly growing technology company. We value collaboration, we foster innovation, and we value the diverse intellectual capabilities that make up our strong, smart and passionate workforce. We are dedicated to driving value for our clients and to building cutting edge solutions in the pursuit of improving healthcare.

THE STUDENT EXPERIENCE

Inovalon is seeking undergraduate students from diverse academic backgrounds who are looking to enhance their educational experience through practical, on-the-job learning, assignments, and projects while working alongside experts and thought leaders in the healthcare data analytics industry.

We empower future leaders like you to collaborate and innovate with our teams. If you are ready to grow and contribute to high performing teams, projects and process improvements, then you are ready to be part of today's data-empowered transformation!

ELIGIBILITY CRITERIA

Undergraduate (junior or senior) and graduate students are encouraged to apply.

INTERNSHIP LOCATIONS
